Awards Sponsor

Estimated Delegates: 200

Why to choose the conference?

Partnering with TFoSET 2026 is a strategic opportunity for your company to build meaningful connections within the global food science community.

At this premier international forum, your company, products, and brand will be actively showcased to a multidisciplinary audience of researchers, innovators, and industry leaders. Participation will enable you to:

- Engage with potential business partners
- Spark new ideas and collaborations
- Gain valuable knowledge and insights
- Connect with a highly defined professional food science network

Your association with TFoSET 2026 will serve as a powerful business and marketing platform, ensuring maximum visibility and impactful engagement with delegates from across the world.
